## experience

### Chewy Studios

Freelance Studio Stylist (2019—Present)  
Art Direction Intern (Summer 2019)

Spent the better part of my work days getting dogs to sit, stay and shake while I got to fetch props, roll over and play dead for the perfect shot.

### Savannah Box Office

Office Attendant (2017—Present)

Constantly interacts with the rich, old people I hope to become. My patience is also constantly tested through these interactions.

### SCAD AD Club

Treasurer (2019—Present)  
Member (2016—Present)

Became pretty neurotic about the ins and outs of club money and grew increasingly strong familiarities to a bookie. Also responsible for organizing events where I get to ask my friends to spend their money.

### aTVfest

Box Office Intern (2019—2020)

Worked on a stool out of a closet in Atlanta, got pretty comfortable with MARTA and almost met Brett Dier.

### SCAD Black Student Association

Member (2016—Present)  
Treasurer (2017—2019)

Brings a lot of enthusiasm to the team as an unofficial official member on the executive board that helps out at internal and full body meetings.
