experience

Office Attendant (2017—Present)
Savannah Box Office

Constantly interacts with the rich, old people I hope to become. My patience is also constantly tested through these interactions.

Treasurer (2017—Present)
Black Student Association

Became pretty neurotic about the ins and outs of club money and grew increasingly strong familiarities to a bookie. Also responsible for organizing events where I get to ask my friends to spend their money.

Orientation Assistant (2017—Present)
Savannah College of Art and Design

Professionally herds cats (read: incoming freshmen) and also manages to convince said cats that they are having the time of their (nine) lives. Became pretty good at introducing myself with ice breakers and fun facts.

Box Office Intern (2019)
aTVfest

Worked out of a closet in Atlanta, got pretty comfortable with MARTA and almost met Brett Dier.

Member (2016—Present)
SCAD AD Club

Brings a lot of enthusiasm to the team as an unofficial official member on the executive board that helps out at internal and full body meetings.
